**The Oxford Handbook of Edgar Allan Poe** J. Gerald Kennedy 2018-12-07 No American author of the early 19th century enjoys a larger international audience than Edgar Allan Poe. Widely translated, read, and studied, he occupies an iconic place in global culture. Such acclaim would have gratified Poe, who deliberately wrote for "the world at large" and mocked the provincialism of strictly nationalistic themes. Partly for this reason, early literary historians cast Poe as an outsider, regarding his dark fantasies as extraneous to American life and experience. Only in the 20th century did Poe finally gain a prominent place in the national canon. Changing critical approaches have deepened our understanding of Poe's complexity and revealed an author who defies easy classification. New models of interpretation have excited fresh debates about his essential genius, his subversive imagination, his cultural insight, and his ultimate impact, urging an expansive reconsideration of his literary achievement. Edited by leading experts J. Gerald Kennedy and Scott Peeples, this volume presents a sweeping reexamination of Poe's work. Forty-five distinguished scholars address Poe's troubled life and checkered career as a "magazinist," his poetry and prose, and his reviews, essays, opinions, and marginalia. The chapters provide fresh insights into Poe's lasting impact on subsequent literature, music, art, comics, and film and illuminate his radical conception of the universe, science, and the human mind. Wide-ranging and thought-provoking, this Handbook reveals a thoroughly modern Poe, whose timeless fables of peril and loss will continue to attract new generations of readers and scholars.

**In Sunlight or In Shadow: Stories Inspired by the Paintings of Edward Hopper** Lawrence Block 2016-12-06 A truly unprecedented literary achievement by author and editor Lawrence Block, a newly-commissioned anthology of seventeen superbly-crafted stories inspired by the paintings of Edward Hopper, including Jeffery Deaver, Joyce Carol Oates, Stephen King, Lee Child, and Robert Olen Butler, among many others. "Edward Hopper is surely the greatest American narrative painter. His work bears special resonance for writers and readers, and yet his paintings never tell a story so much as they invite viewers to find for themselves the untold stories within." So says Lawrence Block, who has invited seventeen outstanding writers to join him in an unprecedented anthology of brand-new stories: In Sunlight or In Shadow. The results are remarkable and range across all genres, wedging literary excellence to storytelling savvy. Contributors include Stephen King, Joyce Carol Oates, Robert Olen Butler, Michael Connelly, Megan Abbott, Craig Ferguson, Nicholas Christopher, Jill D. Block, Joe R. Lansdale, Justin Scott, Kris Nelscott, Warren Moore, Jonathan Santlofer, Jeffery Deaver, Lee Child, and Lawrence Block himself. Even Gail Levin, Hopper's biographer and compiler of his catalogue raisonné, appears with her own first work of fiction, providing a true account of art theft on a grand scale and told in the voice of the country preacher who perpetrated the crime. In a beautifully produced anthology as befits such a collection of acclaimed authors, each story is illustrated with a quality full-color reproduction of the painting that inspired it.

The Tell-Tale Art Christine A. Jackson 2011-11-16 Greed and guilt, near-indecipherable codes, murder plots born of madness—these motifs drive the best modern mysteries, but they are rooted in the early nineteenth century and the carefully constructed fiction of Edgar Allan Poe. Poe's methods of storytelling and suspense remain relevant, reappearing in detective novels and on screens large and small. This work examines a wide selection of today's mystery and thriller novels, films, television programs, and video games to explore Poe's ongoing influence on popular entertainment. Authors such as Michael Connelly, Stieg Larsson and Dennis Lehane, television shows like *The Closer* and *Dexter*, and movies from *Laura* and *Vertigo* to *Shutter Island* and *The Girl with the Dragon Tattoo* all receive attention. The popularity of Poe's narratives in these contemporary guises is testimony to his visionary genius. Instructors considering this book for use in a course may request an examination copy here.

... by the bestselling, acclaimed author of *THE TIN ROOF BLOWDOWN*. Alive in Shape and Color Lawrence Block 2017-12-05 In his brilliant follow-up to *In Sunlight or In Shadow*, Lawrence Block has gathered together the best talent from popular fiction to produce an anthology as inventive as it is alluring, including Joyce Carol Oates, Lee Child, Michael Connelly, David Morrell, and Jeffery Deaver. Even before Lawrence Block could rest on his laurels from *In Sunlight or In Shadow*, a question arose. What would he do for an encore? Any number of artists have produced evocative work, paintings that could trigger a literary response. But none came to mind who could equal Hopper in turning out canvas after canvas. If no single artist could take Hopper's place, how about a full palette of them? Suppose each author was invited to select a painting from the whole panoply of visual art—from the cave drawings at Lascaux to a contemporary abstract canvas on which the paint has barely dried. And what a dazzling response! Joyce Carol Oates picked *Le Beaux Jours* by Balthus. Warren Moore chose Salvador Dalí's *The Pharmacist of Ampurdam Seeking Absolutely Nothing*. Michael Connelly, who sent Harry Bosch to Chicago for a close look at *Nighthawks*, has a go at *The Garden of Earthly Delights* by Harry's namesake Hieronymous Bosch. S. J. Rozan finds a story in Hokusai's *The Great Wave*, while Jeffery Deaver's "A Significant Find" draws its inspiration from—yes—those prehistoric cave drawings at Lascaux. And Kristine Kathryn Rusch moves from painting to sculpture and selects Rodin. In artists ranging from Art Frahm and Norman Rockwell to René Magritte and Clifford Still, the impressive concept goes on to include Thomas Pluck, Sarah Weinman, David Morrell, Craig Ferguson, Joe R. Lansdale, Jill D. Block, Justin Scott, Jonathan Santlofer, Gail Levin, Nicholas Christopher, and Lee Child, with each story accompanied in color by the work of art that inspired it.

Crime Uncovered: Detective Barry Forshaw 2015-11-01 For most of the twentieth century, the private eye dominated crime fiction and film, a lone figure fighting for justice, often in opposition to the official representatives of law and order. More recently, however, the police have begun to take centre stage – as exemplified by the runaway success of TV police procedurals like *Law and Order*. In *Crime Uncovered: Detective*, Barry Forshaw offers an exploration of some of the most influential and popular fictional police detectives in the history of the genre. Taking readers into the worlds of such beloved authors as P. D. James, Henning Mankell, Jo Nesbø, Ian Rankin and Håkan Nesser, this book zeroes in on the characteristics that define the iconic characters they created, discussing how they relate to their national and social settings, questions of class, and to the criminals they relentlessly pursue. Showing how the role of the authority figure has changed – and how each of these writers creates characters who work both within and against the strictures of official investigations – the book shows how creators cleverly subvert expectations of both police procedure and the crime genre itself. Written by a leading expert in the field and drawn from interviews with the featured authors, *Crime Uncovered: Detective* will thrill the countless fans of Inspector Rebus, Harry Hole, Adam Dalgliesh and the other enduring police detectives who define the genre.

The Crossing Michael Connelly 2015-11-03 Harry Bosch crosses the line to team up with Lincoln Lawyer Mickey Haller in the new thriller from #1 New York Times bestselling author Michael Connelly. Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (*Wall Street Journal*).
