Hard Choices Hillary Rodham Clinton 2015 HILLARY RODHAM CLINTON'S INSIDE ACCOUNT OF THE CRISES, CHOICES AND CHALLENGES SHE FACED DURING HER FOUR YEARS AS AMERICA'S 67TH SECRETARY OF STATE, AND HOW THOSE EXPERIENCES DRIVE HER VIEW OF THE FUTURE, INCLUDING A NEW EPILOGUE. 'All of us face hard choices in our lives,' Hillary Rodham Clinton writes at the start of this personal chronicle of years at the centre of world events. 'Life is about making such choices. Our choices and how we handle them shape the people we become.' In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her formal rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, travelled nearly one million miles and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of girls, youth and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer readers a masterclass in international relations, as does her analysis of how we can best use 'smart power' to deliver security and prosperity in a rapidly changing world - one in which America remains the indispensable nation.

Hillary Clinton Hillary Clinton 2003-06 One of the most intelligent and influential women in America reflects on her eight years as First Lady of the United States in a revealing book -personal, political and newsmaking. During her husband's two administrations, Hillary Rodham Clinton redefined the position of First Lady. How this intensely private woman not only survived but prevailed is the dramatic tale of her book. Hillary Clinton shares the untold story of her White House years and recalls the challenging process by which she came to define herself as a wife, a mother, and a formidable politician in her own right. Mrs Clinton was the first First Lady who played a direct role in shaping domestic policy; she was an unofficial ambassador for human rights and democracy around the world; and she helped save the Presidency during the impeachment crisis.

Extreme Makeover of Hillary (Rodham) Clinton Bay Buchanan 2007-05-14 Buchanan, former U.S. treasurer and sister of former presidential nominee Pat Buchanan, takes Hillary Clinton to task in this unapologetically partisan biography. Buchanan outlines how Clinton's personality and character changed after she was elected to the Senate, casting mock sympathy as she goes: "It must be a terrible thing to be as deeply insecure as Hillary. It has made her so incredibly susceptible to the ideas of others." Subsequent chapters criticize the senator's positions on hot-button issues, including healthcare, same-sex partnerships and the war in Iraq. Buchanan backs up many of her points with outside scholarship and Clinton's own interviews and records (both as senator and student).

Hillary Rodham Clinton Michael Burgan 2007-09-01 Presents the life of the former first lady who has become a political figure in her own right as a United States senator and presidential candidate.

The Truth About Hillary Edward Klein 2005-06-21 Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography Living History. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.

Why I Should Be President Hillary Rodham Clinton 2014-10-10 Hillary Rodham Clinton's deeply heartfelt analysis of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences make her qualified to be the next president. She goes on to enumerate every one of the attributes that make her the obvious choice for Americans. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of her personal memoir of years at the center of world events. I guess this means the international world revolves around her. "Life is about making such choices. Our choices and how we handle them shape the people we become." Apparently, for voters in 2016, they will be facing another of these "hard choices" in deciding who will lead the country. In this riveting diatribe, we are treated to all the noble and correct reasons that we should begin to use the phrase "Madam

President". Granted, this is also a parody.

The Global Hillary Dinesh Sharma 2016-06-17 Is there a linkage between "smart power" and Hillary Clinton's leadership style? Can she advance American leadership and women's development worldwide? The Global Hillary addresses these questions and many others. Bringing together two key aspects of Clinton's ongoing career—her advocacy for international women's rights and the mission to foster democratic development around the world—The Global Hillary critically analyzes Clinton's role as a transformative leader of global influence. Essays in this collection provide insight into Clinton's leadership style, particularly her use of American "smart power" in foreign policy, while examining her impact on the continuing worldwide struggle for women's rights. Using international perspectives on the historical and cultural contexts of Clinton's leadership, this book also looks toward the future of women's political leadership in the 21st century with special attention to the prospect of electing a woman to the United States presidency.

De man van mijn dromen C Sittenfeld 2012-01-30 Zomer, 1991. Hannah Gavener is veertien jaar oud. In allerlei tijdschriften leest ze over sprookjesachtige bruiloften van filmsterren, terwijl het huwelijk van haar ouders op de klippen loopt. In de jaren die volgen ontdekt Hannah dat veel vragen over de liefde eerder moeilijker dan makkelijker te beantwoorden zijn naarmate je ouder wordt. Wanneer kun je bijvoorbeeld je tekortkomingen als volwassene niet meer afschuiven op een ongelukkige jeugd? En is het nu romantisch of juist naïef als je alles op het spel zet om een man te volgen die jou misschien helemaal niet ziet zitten? Na een lange reeks mislukte relaties besluit Hannah alle zekerheden in haar leven overboord te gooien en voor de eerste keer haar hart te volgen. De man van mijn dromen is een aanstekelijke en hartverwarmende roman die met een flinke dosis humor laat zien dat het de moeite waard is om risico's te nemen in je liefdesleven. Curtis Sittenfeld (1976) schrijft onder meer voor The New York Times. Haar debuutroman Prep was wereldwijd een groot succes. De man van mijn dromen is haar tweede roman. 'De man van mijn dromen is intelligent en ontroerend. Sittenfeld heeft een briljante schrijfstijl.' - The Washington Post 'De man van mijn dromen is zo eerlijk geschreven dat je voelt dat de auteur je niet om de tuin leidt, maar gewoon de rauwe waarheid over emoties en seks blootlegt. Dit is een dappere en verfrissende roman.' - Alice Munro 'De nieuwe roman van Sittenfeld is indrukwekkend, maar bovenal heerlijk om te lezen.' - The Guardian

[A Woman In Charge](#) Carl Bernstein 2013-03-15 A Woman in Charge reveals the true trajectory of Hillary's astonishing life and career. From a staunchly Republican household and apparently idyllic Midwestern girlhood - her disciplinarian father here revealed as harsher than she has acknowledged - we see the shaping of a brilliant girl whose curiosity was fuelled by the ferment of the 1960s and a desire to change the world. During her student years, she was already perceived as a spokeswoman for her generation. Then, at Yale Law School, she met and fell in love with Bill Clinton, cancelling her own dreams to tie her fortunes to his. Bernstein clarifies the often amazing dynamic of their marriage, charting both her political acumen and her blind spots, and untangling her relationship to the great controversies of Whitewater, Troopergate and Travelgate. And then, in the emotional and political chaos of the Lewinsky affair we see Hillary standing by her husband - evoking a rising wave of sympathy from a public previously cool to her and in effect, Bernstein argues, saving his presidency. It helps carry her into the Senate: her time has come. As she decides to run for President, this self-described 'mind-conservative and heart liberal' has one more chance to fulfill her long-deferred ambitions. Bernstein has interviewed some 200 of her colleagues,

friends and enemies and was given unique access to the candid record of the 1992 presidential campaign kept by Hillary's best friend, Diane Blair. Marshalling all the skills and energy that propelled his history-making Pulitzer prize-winning coverage of Watergate, he gives us a detailed, sophisticated, comprehensive and revealing account of the complex human being and political meteor who has already helped define one presidency and may well become the woman in charge of another.

Een beloofd land Barack Obama 2020-11-17 In dit boeiende, langverwachte eerste deel van zijn presidentiële memoires vertelt Barack Obama het verhaal van zijn onwaarschijnlijke odyssee van een jongeman die op zoek is naar zijn identiteit tot de leider van de vrije wereld. Hij schrijft in buitengewoon persoonlijke bewoordingen over de jaren waarin hij politiek werd gevormd en over de bepalende momenten in de eerste termijn van zijn historische presidentschap - een roerige periode vol dramatische veranderingen. Obama neemt de lezer aan de hand op een fascinerende reis, die voert van zijn eerste politieke aspiraties en de cruciale overwinning in de voorverkiezingen van Iowa - waarin de kracht van grassroots-activisme aan het licht kwam - tot de revolutionaire avond van 4 november 2008, toen hij werd gekozen tot 44ste president van de Verenigde Staten en daarmee de eerste Afro-Amerikaan werd die het hoogste ambt in het land zou bekleden. In zijn bespiegelingen over het presidentschap toont hij op een bijzondere en scherpzinnige wijze welke mogelijkheden en beperkingen presidentiële macht met zich meebrengt, en daarnaast biedt hij ons een uniek inzicht in de dynamiek van de Amerikaanse partijpolitiek en de internationale diplomatie. Obama neemt de lezer mee tot in het Oval Office en de Situation Room van het Witte Huis, maar ook naar steden als Moskou, Cairo en Peking. We zijn getuige van zijn overwegingen bij het samenstellen van zijn kabinet, hoe hij worstelt met een mondiale financiële crisis, Vladimir Poetin inschat, schijnbaar onoverbrugbare conflicten betuogelt om zijn wet op de gezondheidszorg te verwezenlijken, botst met zijn generaals over de te volgen strategie in Afghanistan, hervormingen op Wall Street doorvoert, doortastend optreedt na de ramp met de Deepwater Horizon en opdracht geeft tot Operatie Neptune's Spear, die leidt tot de dood van Osama bin Laden. Een beloofd land is een bijzonder intiem en persoonlijk boek - het verhaal over een man die historische beslissingen neemt, over het rotsvaste geloof van de opbouwwerker die op de proef wordt gesteld op het wereldpodium. Obama is openhartig over de moeilijkheden die hij ondervond toen hij als zwarte Amerikaan president wilde worden, waarbij hij de verwachtingen verpersoonlijkte van een generatie die werd geïnspireerd door de boodschap van hoop en verandering en de morele problemen trotseerde die besluitvorming op het hoogste niveau met zich meebrengt. Obama is openhartig over de krachten die hem in eigen land en elders tegenwerkten, eerlijk over de invloed die het verblijf in het Witte Huis had op zijn vrouw en kinderen. Daarnaast is hij niet terughoudend in het delen van zijn onzekerheden en teleurstellingen. Toch wijkt hij nooit af van zijn overtuiging dat binnen het geweldige, zich voortdurend ontwikkelende Amerikaanse experiment vooruitgang altijd mogelijk is. Dit fraai geschreven en krachtige boek getuigt van Barack Obama's inzicht dat democratie geen geschenk van boven is, maar iets dat is gestoeld op inlevingsvermogen en wederzijds begrip, iets waaraan we samen voortbouwen, elke dag weer.

What Happened Hillary Rodham Clinton 2017-09-12 "In the past, for reasons I try to explain, I've often felt I had to be careful in public, like I was up on a wire without a net. Now I'm letting my guard down." --Hillary Rodham Clinton, from the introduction of What Happened For the first time, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. Now free from the constraints of running, Hillary takes you inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. This is her most personal memoir yet. In these pages, she describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. With humor and candor, she tells readers what it took to get back on her feet--the rituals, relationships, and reading that got her through, and what the experience has taught her about life. She speaks about the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. She lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign and its aftermath--both a deeply intimate account and a cautionary tale for the nation.
