Wetlands in Tooele  
Valley, Utah Neil I.  
Burk 2005 This study  
indicates that wetlands  
in Tooele Valley are  
endangered. The threats  
posed are from drought  
and increased  
development due to  
population growth, which  
could dramatically  
affect the amount of  
water the wetlands  
receive. -- sticker on  
back of disc cover.
