Death Like Me Monaldi SORTI 2016-07-16 SPECIAL ILLUSTRATED EDITION. The Island of Capri, August 1939. Italy in the grip of Fascism, the Second World War looming. At a dazzling party under the stars mingling aristocrats, Nazi officers and American millionaires, the writer, ladies' man and Fascist loose cannon, Curzio Malaparte (1898-1957) - at that time internationally renowned - is accosted by Mussolini's secret police: someone has accused him of murder, the killing of a young English girl, a poet, who had mysteriously fallen from a cliff a few years before - a fall that actually did happen. Malaparte decides to go on the run: helped by a few trusted friends (a spendthrift prince, a Camorra man, an eccentric painter and his inseparable dog Febo) he finds himself embroiled in an impossible investigation. Who's trying to frame him? Could it be that SS officer shadowed by his bloodthirsty Doberman? And what has the terrible (and true) secret hidden in Adolf Hitler's past to do with the plot against him? Struggling to stay a step ahead of the nightmare that's bearing down on him, the writer is forced to live by his wits, depending on a charming girl with unsuspected talents and the providential assistance of an American journalist, the perfect gentleman, destined to head US military intelligence in Europe.The setting: Capri's landscapes and the house Malaparte is building atop one of the island's most spectacular cliffs. All the while, champagne corks pop, the band plays on, and Europe's high society drifts helplessly to its doom. But Malaparte won't play that game: no passive victim, he's determined to save his skin, like his mind, still painfully scarred by a war hero's wounds from over two decades before. Yet that's by no means all there is to it. Readers will soon find themselves up against far more than a mere literary fiction: the tale Malaparte is telling covers his entire past life; more than just a novel, he's responding to the challenge of a lifetime. Only at the very end shall we know if he has lived up to it, or failed. A huge success among readers and critics, DEATH LIKE ME won the Noir Mediterraneo prize for crime novels and was shortlisted at both the Acqui Storia historical fiction competition and the Premio Strega, the most important Italian literary award. The wife and husband team, Rita Monaldi and Francesco Sorti, have published ten books to date, international best sellers translated into 26 languages and appearing in 60 countries, including the five novels featuring Atto Melani (Pistoia 1626 - Paris 1714): Imprimatur, Secretum, Veritas, Mysterium and Dissimulatio.They also edited Secrets of the Conclaves, a secret report by Atto Melani which they unearthed in a Parisian library.The couple live between Vienna and Rome with their children. For many years, the notorious political and publishing intrigues surrounding the publication of Imprimatur kept Monaldi & Sorti's books out of Italy.

KL Nikolaus Wachsmann 2015-04-16 In March of 1933, a disused factory surrounded by barbed wire held 223 prisoners in the town of Dachau. By the end of 1945, the SS concentration camp system had become an overwhelming landscape of terror. Twenty-two large camps and over one thousand satellite camps throughout Germany and Europe were at the heart of the Nazi campaign of repression and intimidation. The importance of the camps in terms of Nazi history and our modern world cannot be questioned. Dr Nikolaus Wachsmann is the first historian to write a complete history of the camps. Combining the political and the personal, Wachsmann examines the organisation of such an immense genocidal machine, whilst drawing a vivid picture of life inside the camps for the individual prisoner. The book gives voice to

those typically forgotten in Nazi history: the 'social deviants', criminals and unwanted ethnicities that all faced the terror of the camps. Wachsmann explores the practice of institutionalised murder and inmate collaboration with the SS selectively ignored by many historians. Pulling together a wealth of in-depth research, official documents, contemporary studies and the evidence of survivors themselves, KL is a complete but accessible narrative.

School Was Murder Jim McMurtry 2010-06-23 The Canadian Religious Academy of Peseux faces a problem much more difficult than its acronym (C.R.A.P.). On two separate outings away from this private schools home base in Switzerland, two of the academys teachers have died under suspicious circumstances. No arrests have been made, and there are few clues to the identity of the perpetrator. Rumours of the schools closing persist, and the academys credibility hangs by a thread. Additionally, many of the schools teenaged students and their teachers are about to embark on a trip to Greece and Italy that cannot be cancelled. Still, the school cannot afford to lose another teacher. George Szego, chairman of the Canadian half of the schools governing board, convinces Theodore Pantaloni, a private investigator from Toronto, to look into the teachers deaths. Pantaloni, who has had years of criminal study, must travel with the teachers and their students to both investigate and possibly thwart another murder attempt. With little evidence to lead him, neither teachers nor students are above Pantalonis suspicion.

The Best Films of Our Years M. Owen Lee 2007 Dominance is an integral aspect of strategy. Strategy, whether in war, sports or business, is about how one can place themselves in a competitive position that gives them an advantage over competitors. If that position can be made so overwhelming by one competitor that others are effectively taken out of effective competition, that competitor is dominant. Dominance wins. The game is over. Everyone else is playing for second place or lower. Creating Dominance describes how successful law firms have gone about dominating their marketplaces - be they a practice area, a city or an industry. The book begins by describing the characteristics that identify a dominant firm and the precise strategies law firms can use to put themselves in a position of dominance.
