The INTRAfaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters? Susan Strouse 2012-04-12
The INTRAfaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters? by Susan M. Strouse is a guide for individuals and faith communities to explore what it means to be a Christian in a multifaith world. The Rev. Dr. Susan M. Str Life-Changing Conversations: 7 Strategies to Help You Talk About What Matters Most Sarah Rozenthuler Author 2013-01-01
If getting the most out of life is important to you, you must read Life-changing Conversations! - Eldon Taylor PhD, FAPA, radio personality and New York Times bestselling author of Choices and Illusions and Mind Programming This book explains why effective talk can be truly transformative and provides a practical guide to having the kinds of conversations that will turn your life around. Expert psychologist and coach Sarah Rozenthuler provides the seven keys to success: calling up your courage, focusing on your intention, creating positive space, speaking your truth, having a flexible style, cultivating constructive controversy, and obtaining closure. Throughout the book you will find real-life examples of problem situations, including negotiating with difficult neighbours, asking for a raise and ending a long-term relationship. The author shows through extended sample dialogue how, in each case, a difficult situation was worked through and a positive result achieved. Improving our effectiveness at having good conversations is the single most important way to bring about positive change in our lives.

Commerce with the Universe Gaurav Desai 2013-09-24
Reading the life narratives and literary texts of South Asians writing in East Africa, Gaurav Desai builds a new history of Africa’s encounter with slavery, colonialism, migration, nationalism, development, and globalization. Rather than approach literature and culture from a nation-centered perspective, Desai connects the medieval trade routes of the Islamicate empire, the early independence movements galvanized in part by Gandhi’s southern African experiences, the invention of new ethnic nationalisms, and the rise of plural, multiethnic nations to the fertile exchange taking place across the Indian Ocean.

The House I Used to Live In Joseph Glass 2016-11-14
This story begins when I was much older, worlds away from those early years, and I had a daughter of my own. Im Miranda, and Im living a life Ive prepared myself. But that life never came. My parents worried about me. So did my teachers. Though the safe path was always right in front of me, I kept veering off it into something which did not seem unknown or perilous until it was too late to prevent the damage. My aunts and uncles referred to me as a free spirit and exchanged glances, which suggested in an adult way that they were a little worried about how I was going to turn out. Despite my mothers many attempts at reeducation, I never quite got over that impulse toward wandering and adventure that got me into so much troubleot until the events which form the basis of this story, anyway.

De belangrijkste inzichten uit ‘Gesprekken met God’, nu gebundeld Neale Donald Walsch werd wereldberoemd met zijn driedelige serie ‘Gesprekken met God’. Er werden wereldwijd miljoenen exemplaren ervan verkocht. De auteur kreeg telkens de vraag om bondig en kernachtig de essentie van deze gesprekken weer te geven. Wat God zei is het antwoord van Walsch op deze vraag. Hij heeft de belangrijkste boodschappen samengevat in 25 essentiële inzichten, zoals: We zijn allen één Er is genoeg Je hoeft niet te doen God praat met iedereen, altijd Er is geen ruimte en tijd, er is alleen het hier en nu Liefde is alles wat er is Door middel van oefeningen en suggesties kun je deze inzichten toepassen in je dagelijks leven. Neale Donald Walsch is de auteur van de serie ‘Gesprekken met God’. Walsch roept op om een open minded mens te worden, vrij van opgelegde moraal en alle beelden over goed en kwaad.

Challenges for Language Education and Policy Bernard Spolsky 2014-09-15
Addressing a wide range of issues in applied linguistics, sociolinguistics, and multilingualism, this volume focuses on language users, the ‘people.’ Making creative connections between existing scholarship in language policy and contemporary theory and research in other social sciences, authors from around the world offer new critical perspectives for analyzing language phenomena and language theories, suggesting new meeting points among language users and language policy makers, norms, and traditions in diverse cultural, geographical, and historical contexts. Identifying and expanding on previously neglected aspects of language studies, the book is inspired by the work of Elana Shohamy, whose critical view and innovative work on a broad spectrum of key topics in applied linguistics has influenced many scholars in the field to think “out of the box” and to reconsider some basic commonly held understandings, specifically with regard to the impact of language and languaging on individual language users rather than on the masses.

Why Design Matters Debbie Millman 2022-02-22
Foreword by Roxane Gay “Debbie Millman brings her Design Matters podcast, ‘about how the most creative people in the world create their lives,’ to the page with this excellent interview anthology. Sharpened by Millman’s penetrating commentary, the candid musings teem with insight and empathy. This sparkling collection is one to be savored slowly.”—Publisher’s Weekly
The author, educator, brand consultant, and host of the widely successful and award-winning podcast Design Matters showcases dozens of her most exciting interviews, bringing together insights and reflections from today’s leading creative minds from across diverse fields. “Debbie Millman has become a singular voice in the world of intimate, enlightening conversations. She has demonstrated time, and again, why design matters.”—Roxane Gay, from the foreword
Over the course of her popular podcast’s fifteen-year reign, Debbie Millman has interviewed more than 400 creative minds. In those conversations, she has not only explored what it means to design a creative life, but has, as Millman’s wife, Roxane Gay, assesses in her foreword, “created a gloriously interesting and ongoing conversation about what it means to live well, overcome trauma, face rejection, learn to love and be loved, and thrive both personally and professional.” In this illustrated, curated anthology, Millman includes approximately 80 of her best interviews with visionaries from across diverse fields. Grouped by category—Legends, Truth Tellers, Culture Makers, Trendsetters, and Visionaries—these eye-opening, entertaining, and enlightening conversations—offer insights into new ways of being and living. Accompanying each entry is a brief biography, a portrait photographed by Millman, and a pull quote written in Millman’s artistic hand. Why Design Matters features 100 images and includes interviews with: Marina Abramovic, Cey Adams, Elizabeth Alexander, Laurie Anderson, Lynda Barry, Allison Bechdel, Michael Bierut, Brené Brown, Alain de Botton, Eve Ensler, Shepard Fairey, Tim Ferriss, Louise Fili, Kenny Fries, Anand Girihardas, Cindy Gallop, Malcolm Gladwell, Milton Glaser, Ira Glass, Seth Godin, Thelma Golden, Gabrielle Hamilton, Steven Heller, Jessica Hische, Michael R. Jackson, Oliver Jeffers, Saeed Jones, Thomas Kail, Maira Kalman, Chip Kidd, Anne Lamott, Elle Luna, Carmen Maria Machado, Thomas Page McBee, Erin McKewon, Chanel Miller, Mike Mills, Marilyn Minter, Isaac Mizrahi, Nico Muhly, Eileen Myles, Emily Oberman, Amanda Palmer, Priya Parker, Esther Perel, Maria Popova, Edel Rodriguez, Paula Scher, Amy Sherald, Simon Sinek, Pete Souza, Aminatou Sow, Brandon Stanton, Cheryl Strayed, Amber Tamblyn, Christina Tosi, Tea Uglow, Chris Ware, and Albert Watson.

Normale mensen Sally Rooney 2019-01-14
‘Normale mensen’ van Sally Rooney is de opvolger van haar veelgeprezen debuutroman ‘Gesprekken met vrienden’. In ‘Normale mensen’ vertelt Sally Rooney de liefdesgeschiedenis van Marianne en Connell. Beiden groeien op in hetzelfde stadje in landelijk Ierland, waar hun verschillende werelden nauwelijks overlappen. Ze ontmoeten elkaar alleen wanneer de moeder van Connell het huis van Marianne schoonmaakt. Als ze beiden naar het prestigieuze Trinity College in Dublin gaan, blijkt op die universiteit dat zich door de jaren heen een diepe band heeft gevormd. ‘Normale mensen’ van Sally Rooney is een verhaal over de diepgaande invloed die geliefden op elkaars leven hebben, en het groeiende besef daarvan naarmate de jaren verstrijken. Een intense roman die je je eigen liefdes laat herbeleven. ‘De stem van de nieuwe generatie.’ The Guardian

Fall Down Nine Times **Get Up Ten** Martin Avery 2014-07-06
“You’re going to die,” the doctor said. But Canadian author Martin Avery laughed and walked away. Fall Down Nine Times, Get Up Ten tells the story of a man who was told he would never work or walk again, in Canada, but lived to get a better diagnosis of “jing-chi-shen” in China.

Conversations with a Frog Dr Karl Albrecht 2003-10-01
A brief, inspiring parable about being “stuck” and - more importantly - getting unstuck. Three people, all of whom are struggling with difficult life situations, separately and individually happen upon a tranquil pond in a small, secluded park. As they muse about their difficulties, a frog appears from the pond. Their conversations with the frog lead them to discoveries and realizations that free them from their stuck circumstances. The frog never judges, never evaluates, and never gives advice - it merely offers questions. In those very simple but wise questions, they find the answers that open the way to the lives they really want to live. Is the frog real? Does it actually talk to them, or are they simply hearing the voice of their own inner wisdom? Does your own inner frog have a special wisdom to offer you, if you can only hear it? You'll have to answer those questions for yourself. Give copies of "Conversations With a Frog" to your friends, colleagues, co-workers, and family.

Want answers to the big questions? Answers that aren't absolute sh*t? Then read this. Are all politicians liars? Is democracy dead? How do we fix our broken media? What is populism and how can we resist it? Is a deadly virus killing our society? Are governments necessarily corrupt? What can we do as individuals about climate change? What should governments do? Is eating meat wrong? How can we find meaning in our lives? Are we truly equal? Are we truly free? Is there room for hope? If you read nothing else this year, or this decade, read this. If you do nothing else this year, or this decade, share this.

Sir Walter Scott (1771-1832) was a Scottish historical novelist, playwright and poet. He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include Ivanhoe, Rob Roy, The Lady of the Lake, Waverley, The Heart of Midlothian and The Bride of Lammermoor.

Gesprekken met vrienden Sally Rooney 2017-10-25
‘Gesprekken met vrienden’ van Sally Rooney is een moderne roman over de lusten en lasten van de jeugd. Rooney schrijft in een heldere stijl en met onderkoelde humor. ‘Gesprekken met vrienden’ is Rooneys debuutroman, die door ‘The Guardian’ als een van de belangrijkste debuten van 2017 is uitgeroepen. Een meesterwerk. ‘Een schrijver om in de ogen te houden.’ - The Sunday Times ‘Een verbluffend debuut.’ - The Bookseller
Frances is 21 jaar oud, koel en observerend. Ze studeert en doet samen met haar beste vriendin Bobbi aan poëtryslams in Dublin, waar ze gespot worden door journalist Melissa. Frances raakt tegen wil en dank onder de indruk van haar en haar echtgenoot Nick, die nooit echt is doorgebroken als acteur. Wat aan het begin een onschuldige flirt lijkt, groeit al snel uit tot een vreemd soort intimiteit. Frances probeert haar leven geordend te houden, maar haar relaties ontsnappen steeds meer aan haar greep. Dan probeert ze iets radicaals: van moment tot moment leven. Rooney wordt gezien als de nieuwe Bret Easton Ellis, J.D. Salinger en Sylvia Plath.

Gesprekken met de mensheid Neale Donald Walsch 2014-02-13
De weg van de mens is zoeken naar wie je in essentie bent
Bestsellerauteur Neale Donald Walsch stelt dat 98% van de mensen 98% van hun tijd besteedt aan zaken die er niet toe doen. Het is volgens hem de reden dat zo veel mensen zich verdrietig en verward voelen. Niet omdat je iets fout doet, maar omdat je nooit geleerd is wat er wél toe doet. Dit boek laat zien wat er werkelijk toe doet: zelf-onderzoek, het onderzoek naar wie jij in essentie bent. Je ziel weet het antwoord al en het is dus een kwestie van her-inneren. We voelen allemaal aan dat er in deze tijd iets gebeurt in de collectieve ontwikkeling van de mensheid. Oude systemen breken af en er is iets gaande waarbij de waarheid gemakkelijker boven tafel kan komen. Het is belangrijk dat we beseffen dat het goed is wat er gaande is, op collectief maar ook op persoonlijk niveau. Laten we afstemmen op ons eigen diepste innerlijk. Neale Donald Walsch brak wereldwijd door met de serie Gesprekken met God, die in 37 talen werd vertaald. Walsch’ visie behelst een uitbreiding en eenwording van de verschillende religies om zo te komen tot een theologie die beter past bij de huidige tijd. Van zijn boeken zijn meer dan 8 miljoen exemplaren verkocht.

Widowmaker William E. McClintock 2013-11-01
Arizona Territory, 1881. Coleman Matthews is a gunman with a desolate heart and a wry sense of humor... He can put a bullet in your chest before you clear leather or drop you from a thousand yards out with a .50 caliber Sharps. He carries a sawed off ten-gauge in a saddle scabbard and a push dagger inside his gunbelt for closer-in social work. But saddle up... ride with him for awhile as he hunts down the wolfpack of thieves and killers who raped and murdered one of the few people he ever cared about...

The Only Thing That Matters Neale Donald Walsch 2013-09-26
The interesting thought that “98% of the world’s people are spending 98% of their time on things that don’t matter” opens the latest book from seven-time New York Times best-selling author Neale Donald Walsch, who says with gentleness that this is the reason so many lives are filled with sadness and turmoil, and that the world itself seems continually on the brink of calamity. This circumstance, Walsch says, is nobody’s fault. We simply haven’t been told or taught what does matter—or, if that question has been answered for us, the answers we’ve been given have not been accurate. Yet now, the author declares, the human race is receiving an invitation from Life Itself, in the form of a palpable energy shift in 2012 and beyond, to address the question directly—and people everywhere can feel it. Some sense this shift much in the way they can sense, in the sleepy hours of the morning, that it is time to wake up. Others experience frustration at how things are going right now, but they also feel a muted excitement stirring deep within, a restless readiness to respond to a soft but persistent inner voice that has lately been saying: IT DOESN’T HAVE TO BE THIS WAY. Walsch says that this inner voice is correct. One’s life does not have to be a series of worrisome and challenging crises involving finances or relationship or health or family, and neither does the world at large have to be a container of constant calamity surrounding its governance and ecology and culture. In his latest book, The Only Thing That Matters, he offers a formula, elegant in its simplicity, that will immediately uplift the life of anyone who embraces it—and that could change the World Entire.

Step Back Joseph L. Badaracco 2020-07-14
How to find clarity amid the turbulence of work and life
We all wish we had more time to pause and reflect about small decisions and big goals—and everything in between. But since we live and work in a vortex of tasks, meetings, decisions, and responsibilities, we rarely get the chance to step back. In this practical guide, bestselling author and Harvard Business School professor Joseph Badaracco argues that you don’t need long periods of solitude and tranquility to reflect well. In fact, reflection can take place in the cracks and crevices of your very busy life, and these moments can help you understand your feelings, look at problems from different perspectives, focus on what really matters, and, ultimately, lead a better life. Building on candid interviews with over a hundred executives and professionals, as well as on the classic works of Marcus Aurelius, Michel de Montaigne, and Ignatius of Loyola, Badaracco offers simple, customizable principles and ideas for reflection that lend a gentle discipline to an otherwise nebulous process. Concise, smart, and pragmatic, Step Back is the guide you need to make reflection a positive force in your work and life.

Conversations with Scripture: Romans Jay Sidebotham 2015-03-01
• Established resource series for church groups and individual use
• An expert in church renewal takes the opportunity to approach the series in a fresh, new fashion
It has been said that we are called not only to read Scripture but to let Scripture read us. In that spirit, this book will guide readers into conversation with Paul’s letter to the Romans. The author will help us listen to what that letter said to the people to whom it was written and to hear what it says to us today. Readers will bring their own reflections, personal concerns, and questions to the table as we let this letter challenge us with meaning—letting it read the reader. The thesis of this book is that the letter has demonstrated transforming power to renew lives and the church through a focus on worship; a rigorous assessment of the human condition, especially the failure of human religiosity; a claim of transforming power in the ongoing life of Christ; an expansive vision of who is included in God’s life and love; a call to practical application and proclamation of the gospel.

Why Siblings Matter Naomi White 2017-10-02
Many people grow up with at least one sibling. These siblings are often ‘fellow travellers’ through adversity or significant life events; they can act as a source of support for some children while a source of conflict for others. For these reasons, siblings are a potentially powerful influence on development and this book is one of the first of its kind to provide an overview of cutting-edge psychological research on this important relationship. Why Siblings Matter is a cornerstone text on siblinghood. Integrating findings from a 10 year longitudinal study alongside wider research, it provides a lifespan perspective examining the impact of sibling relationships on children’s development and well-being. This text situates siblings in their historical, developmental and family context, considers the influence of siblings on children’s development and adjustment, and provides an introduction to new research on siblings in diverse contexts. The authors discuss sibling relationships in varied populations such as siblings with disabilities, siblings in different cultures and siblings in non-traditional families, while also considering the practical implications of research. Covering both classical studies and new results this book offers take-home messages for promoting positive sibling interactions. It will be invaluable reading for students and researchers in developmental psychology and family studies and professionals in education, health and social work.

Begin met het waarom Simon Sinek 2012-03-08
Simon Sinek laat in ‘Begin met het Waarom’ zien dat organisaties en leiders die zich richten op het Waarom van hun bedrijf succesvoller, invloedrijker en innovatiever zijn. Leiderschapstijlen kunnen verschillen, maar alle grote, inspirerende leiders hebben één ding met elkaar gemeen: ze weten andersoegd waarom ze doen wat ze doen. Toch sneeuwt bij veel bedrijven het Waarom nogal eens onder in de hectiek van de dag. ‘Begin met het Waarom’ helpt je om het Waarom weer centraal te stellen en zo beter en authentieker leiding te geven en je omgeving te inspireren. Met vele voorbeelden uit de praktijk toont Sinek aan dat het werkt. Dit boek is gebaseerd op de ideeën uit zijn TEDX-talk over leiderschap, waarmee hij wereldwijd de aandacht trok.

Signs Matter Marianne Stillings 2011-05-31
It was a night of slow dances, heated looks, and for detective Taylor McKennitt, the Earth moved. Unfortunately, so did the lovely Claire right on out the door. Not that it wasn’t the hottest night of her life. In fact, the memory of Taylor’s kisses, his touch, his . . . everything makes Claire want to leap right back into the sexy detective’s bed. But the last thing she needs is to fall in love with a man in blue, even if he is irresistible. And determined. Then just when Taylor thinks he’s close to getting her back into his life, a deranged killer targets Claire. Now it’s Taylor’s duty to protect her. And in the process, he’ll win her resisting heart or die trying -- which is, suddenly a very distinct possibility.

Durf te Leiden Brené Brown 2019-02-12
Brené Brown heeft de afgelopen twintig jaar onderzoek gedaan naar de emoties en ervaringen die betekenis geven aan ons leven, en werkte de afgelopen zeven jaar nauw samen met leiders en cultuurveranderaars over de hele wereld. Ze ontdekte dat allerlei bedrijfstakken, van kleine start-ups tot Fortune 50-bedrijven, met dezelfde vraag worstelen: ‘Hoe ontwikkelen we moediger leiders en hoe verankeren we moed en durf in onze bedrijfscultuur?’ In dit nieuwe boek combineert Brené haar onderzoekresultaten met persoonlijke verhalen en voorbeelden om deze vraag te beantwoorden. Durf te Leiden gaat over echt leiderschap: vanuit het hart en vol moed.

Story Of Antimatter, The: Matter's Vanished Twin Guennadi Borissov 2018-04-26
‘Overall, the text is very well written in a style that is precise yet easy to understand and interesting to follow ... It does not refer to scientific or other publications or suggest further reading, but is completely self-contained. This makes it highly accessible for non-experts. It is intended for ‘serious readers with some general background knowledge in physics, although no specialist knowledge is required’. And it can indeed be recommended to any reader with a scientific interest in the subject, and also as a good recreational read for experts. This is even more true due to the excellent quality of the paper and the print, and the nice format and overall making of the book.’Contemporary PhysicsEach elementary particle contained within every known substance has an almost identical twin called its antiparticle. Existing data clearly indicate that equal numbers of particles and antiparticles were initially created soon after the birth of the universe. Despite this, all objects around us, as well as all the stars in all the known galaxies, are made of particles, while antiparticles have almost completely vanished. The reasons behind this disappearance are not yet fully known. Uncovering them will allow us to not only penetrate much deeper into the structure of matter, but also to understand the secret mechanisms that determine the genesis and development of our immense universe. That is why explaining the mystery of the missing antimatter is currently considered to be one of the main tasks of particle physics.This book tells the story of all the achievements in solving the problem of the missing antiparticles including the latest developments in the field. It is written by Prof. Guennadi Borissov, an international expert in this subject. It is intended for serious readers with some general background knowledge in physics, although no specialist knowledge is required. All phenomena observed in the microworld of particles are explained in simple terms using well-known examples from ordinary life. Starting with a description and discussion of the main properties of particles and antiparticles, the book details the important stages in the research that has brought scientists closer to solving one of the greatest enigmas of nature.
