**Waking the Witch** Pam Grossman 2019-06-04 A whip-smart and illuminating exploration of the world's fascination with witches from podcast host and practicing witch Pam Grossman (The Witch Wave), who delves deeply into why witches have intrigued us for centuries and why they're more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the cultural and historical impact of the world's most magical icon. From the idea of the femme fatale in league with the devil in early modern Europe and Salem, to the bewitching pop culture archetypes in *Buffy the Vampire Slayer*, *Sabrina the Teenage Witch*, and *Harry Potter*; from the spooky ladies in fairy tales and horror films to the rise of feminist covens and contemporary witchcraft, witches reflect the power and potential of women. In this fascinating read that is part cultural analysis, part memoir, Pam opens up about her own journey on the path to witchcraft, and how her personal embrace of the witch helped her find strength, self-empowerment, and a deeper purpose. A comprehensive meditation on one of the most mysterious and captivating figures of all time, *Waking the Witch* celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in shaping the world as we know it.

As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers—the protectors of the Gates to different underworlds, ancient portals between their world and realms where mythology rules and nightmares come to life. When their mother becomes the first victim in a string of murders, the devastated sisters vow to avenge her death. Now Hunter and Mercy must come together and accept their destiny or risk being separated for good.

**Spells for Change** Frankie Castanea 2021-10-14 Modern day witches are a culmination of the old and new—they travel to the grocery store, work nine to fives, and teach in our classrooms. They carry black tourmaline and quartz, and wave bay and rosemary bundles over their doorways. Within an ancient sacred practice, a new generation of witches are rising; those who understand the power of action paired with energy and intent, who fight for the best versions of themselves through whispered chants and candlelight and match their activism with manifestation. The modern witch creates change within the hearth, the heart, and the world, one spell at a time. Frankie Castanea is at the centre of a thriving community of modern practitioners who use witchcraft to enrich their lives day-to-day and improve the world around them. In *Spells for Change*, Frankie demonstrates how witchcraft has both personal and worldwide applications, whether it's protecting the home or self from negative energies through boundaries and charms or binding a harmful person to help a friend. Each brings you closer to creating change within yourself, the environment around you, and the society we live in, and closer to a greater awareness of the Universe and the energies that exist within it. Including studies of meditation, grounding, manifestation, cleansing, protection, banishing and binding, this book will teach you how to enact personal and global change. From justice spells and banishing unwanted energy to spells to help you on the journey to self-love and self-prioritization, Frankie shows that, at its heart, witchcraft is a force for good that is ultimately about refining your identity and reclaiming your power.

[How to Write Your Own Spells for Any Purpose and Make Them Work](#)  
Sophia DiGregorio 2013-07-13 Have you ever had trouble finding the right  
spell? Have you ever found a spell that suits your purpose, but couldn't  
carry it out because of impossible instructions or hard-to-find ingredients?  
Have you ever wanted to put more power behind the spells you cast? If  
you can say, "Yes," to any of these questions, then "How to Write Your  
Own Spells for Any Purpose and Make Them Work" is the book you've  
been looking for. Successful spell casting is an important aspect of  
witchcraft, a practical understanding of which leads to a very self-  
sufficient walk through life. This book approaches spell crafting as the  
practical application of the esoteric science behind witchcraft. Being able  
to write and successfully cast your own spells means you'll never have  
problems finding a spell that suits your needs, again. While spell books  
are helpful in many cases, the types of spells are usually limited to  
popular subjects like love, money and protection when you may have  
other needs. They often fail to provide a spell for your particular situation  
and its unique dynamics. Furthermore, many modern spell books try to  
impose the author's morality upon the reader and may not contain certain  
types of spells, at all. This book demonstrates the process of learning how  
to write your own spells and teaches you why certain components are  
employed in a spell and what their purpose is. It shows that there is far  
more to spell casting than just going through the motions or wishing for a  
result. All spells have a far greater chance of success when the spell  
caster has an complete understanding of what he or she is doing and why.  
Blindly following a procedure or formula without knowledge or going  
through the motions without understanding is less likely to lead to a  
positive result. "How to Write Your Own Spells for Any Purpose and Make  
Them Work" is both a manual and a workbook that provides lessons  
followed by questions and answers. The final chapter shows you how to  
put the information you've learned in the book together to design your  
own spells for any purpose.

**Witch** Lisa Lister 2017-05-09 A compelling book urging modern women to  
reconnect with their inborn feminine powers. Reclaim your inner witch  
with the magical rituals, divination tools, spells and ancient wisdom in this  
revolutionary book. A witch is a woman in her power. She's wise, a healer,  
someone who is aligned with the cycles of Mother Nature and the phases  
of the Moon. Yet for so long, the word 'witch' has had negative  
connotations - being used as an insult, a slur and to perpetuate fear. In  
this book, third generation hereditary witch Lisa Lister explains the history  
behind witchcraft, why in past centuries the word 'witch' has led women  
to be tortured, drowned and burned at the stake, and why the witch is  
now waking once again in women across the world today. This book will  
help women to remember, reconnect and reclaim the word 'witch' and its  
power. It explores the many different versions of witchcraft and their core  
principles and practices, and shares ancient wisdom made relevant for  
waking witches, including how to: · Align your energy with the wheel of  
the year, the sabbats and the cycles of the Moon · Connect with and trust  
your intuition · Use divination tools such as oracle cards, scrying and rune  
reading · Cast circles, create altars and set sacred space · Work with the  
elements of nature and use herbs and crystals · Discover and work with  
five different aspects of the witch: the Force of Nature, the Creatrix, the  
Healer, the Oracle and the Sorceress · Rediscover your powers and  
manifest your reality with spell casting Lisa also shares her own journey to  
reclaiming the word 'witch', along with personal, hands-on rituals and  
spells from her family lineage of gypsy witch magic.

legacy and their secrets and powerful spells Witches have always worried,  
scared, and fascinated people in equal measure. From dark magic to  
home remedies, they have been part of the cultural landscape for people  
across the world. From Europe to the Americas, Asia to Africa, the idea of

this book, we will look at witches from across the world and across many  
thousands of years. But witches are not always welcome. Often, they are  
feared. People worry about satanic practices and dark magic. Should a  
child fall sick, it is not uncommon for people to blame a local woman.  
Many have been falsely accused of witchcraft throughout history and,  
sometimes, these people have been killed as a result. Sometimes, even  
the rumored practice of dark magic can be enough to condemn a person  
to be burned at the stake. Throughout this book, we will look into the  
history of witchcraft as it has been practiced by people over the ages. Not  
only that, but we will look into some of the spells that they relied upon for  
their power. By studying their specific arts, we can better understand the  
scope and the power of witchcraft. If you would like to know more about

The Spell Book of a Wicked Witch Thalia Thorne 2021-02-07 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted,

maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. **A Spell in the Wild** Alice Tarbuck 2020-10-01 'Witches occupy a clear place in contemporary imagination. We can see them, shadowy, in the corners of the past: mad, glamorous, difficult, strange. They haunt the footnotes of history - from medieval witches burning at the stake to the lurid glamour of the 1970s witchcraft revival. But they are moving out of history, too. Witches are back. They're feminist, independent, invested in self-care and care for the world. They are here, because they must be needed.' What it means to be a witch has changed radically throughout history; where 'witch' was once a dangerous - and often deadly - accusation, it is now a proud self-definition. Today, as the world becomes ever more complicated and as we face ecological, political and economic crisis - witchcraft is experiencing a resurgence. Witches are back. In A Spell in the Wild, Alice Tarbuck explores what it means to be a witch today. Rooted in the real world, but filled with spells, rituals and recipes, this book is an accessible, seasonal guide to witchcraft in the twenty-first century. Following the course of a witch's calendar year while also exploring the history and politics of witchcraft, A Spell in the Wild is the perfect primer for the contemporary witch.

**Modern Witchcraft and Magic for Beginners** Lisa Chamberlain 2015-10-31 Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Nonetheless, due to the persistence of these misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms-they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! Modern Witchcraft and Magic for Beginners was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that combines several approaches, this book will help you navigate the various opinions, definitions, and perspectives you'll find in the wide, wide world of the Craft. Foundations of Western Witchcraft Wicca has become the most well-known form of the Craft, but it emerged in tandem with other forms. Many of these other traditions were influenced by, and had influence on, what we now know as Wicca. A basic understanding of the

wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural contexts in which contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques-visualization, invocation, and candle magic Some example workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in *Modern Witchcraft and Magic for Beginners*. After reading this book, you should have a better grounding in this fascinating field, and hopefully a clearer sense of where you'd like to go next!
